

## Wednesday Wackies

The Wacky Race fleet 11 June 2014

**Every Wednesday evening through the season.**

**First Race 15th April 2015 – Last Race 30th September 2015**

### **NEW FEATURES**

- The full season will be run as short course with spinnakers allowed providing such boats make the race committee aware before the start of the season for the correct start time to be determined.
- Finish times need to be recorded on return to the clubhouse every night to ensure a result and to be used for the progressive club handicap system.
- Club handicaps are generated from CYCA handicap initially and then amended monthly on results providing amended start times for the following month. Hopefully by the end of the year we all finish together as the pursuit time intends!
- A monthly prize giving and gathering will be held immediately after racing in the clubhouse on the last Wednesday of the month except April. This will extend to a BBQ in the summer months if we get the weather.
